

Jeanswest is committed to transparency and recognizes this is a core requirement for upholding safe and fair working conditions for all workers in our supply chain.

Jeanswest will progressively publish details of the factories and facilities that make our product. The following list represents the factories responsible for 100% of Jeanswest's current apparel and accessories production at that final stage of manufacturing (Cut, Make, Trim)

This list was last updated and reflects production as of January 2019.

Please note that Jeanswest does not own or operate these facilities and as such any party wishing to visit these facilities should contact the facility directly for permission and do so in accordance with local law and respecting local customs and privacy.
